

HEANOR GATE SCIENCE COLLEGE

“Develop all learners to achieve their full potential”
“Create a culture of aspiration”

Principal: **Mr S Huntington**

September 2019

Dear Parent/Carer

As part of the A Level Geography course, students are required to undertake fieldwork activities in preparation for the non-examined assessment, which is a piece of coursework worth 20%.

In order to give students the best opportunities in which to complete this coursework, we will be taking our current Year 12 students to Overstrand in north Norfolk. This will allow them to participate in primary data collection, as well as consolidate understanding of coastal landforms and processes. We will also be carrying out fieldwork at various points along the coastline and students will be able to choose an appropriate title for their assessment, complete their data collection and write up part of their coursework. We will also be carrying out some urban fieldwork; should your child wish to focus their assessment on this section of the specification.

Provisional dates for this trip are Wednesday 16 September 2020 until Saturday 19 September 2020 (to be confirmed). We will be staying at Kingswood Hall, Overstrand. The cost of the trip is £250 which includes transport, tuition, accommodation and food. Students will need to bring plenty of snacks and will also need some money to buy food on the Saturday whilst we are travelling home.

A non-refundable deposit of £60 is required by Friday 25 October 2019. Please refer to the payment plan below for future payments:-

50% of cost due by 24 April 2020

75% due by 5 June 2020

Payment in full by 10 July 2020

If you cancel your child's place in June 2020 or later, you will incur costs. Our preferred method of payment is via ParentPay. Please logon to your child's account.

Please don't hesitate to contact me if you have any questions regarding the trip.

Yours sincerely

Chantelle Meakin
Geography Teacher
