Dear Parents/Carers

June 2017

Many thanks for all of your support over the year and, in particular, during the exam period. The exams have run smoothly and students have risen to the occasion. Many students have attended extra revision sessions after school, on Saturdays and even during the holidays. They have truly done themselves, you and us proud. It has been our pleasure to help and support them during this period. We are confident that the hard work and dedication of both students and staff will ensure excellent results in the summer.

I would like to advise you of several key pieces of information:

Study leave

Study leave begins immediately after the chemistry exam on Wednesday 14 June 2017 (for some students this will be 10.30am, others 11.30am). Students will still be expected to attend any revision sessions for remaining exams and staff will be available in school every day should any advice or guidance be required. All GCSE exams finish on Tuesday 20 June 2017. Please see your son's or daughter's individual exam timetable.

Year 11 Leavers

'The Leavers' assembly' will take place on the morning of Wednesday 21 June. This is an opportunity to share experiences over the last five years and celebrate the achievements of the students. It will start at 9:30am (students should aim to arrive by 9:20am) and finish by 11:00am. This will also allow students to collect their leavers' hoodies and sign shirts; a true rite of passage, at the end of 11 years of education.

Prom

The year 11 prom will be held at Eastwood Hall, Eastwood, Nottingham on **Friday 30 June 2017, 6:00pm - Midnight**. No alcohol is to be consumed either prior to, or during, the event. If the behaviour of any individuals jeopardise the safety and enjoyment of others then parents will be called and asked to collect their child.

GCSE Summer Results day

GCSE results will be available to students on 24 August 2017, 9:00am-12 noon in the school Hall. Alternative arrangements can be made for students away on holiday but this must be arranged before the end of term. Yearbooks will also be available for collection on this day.

As always, if you have any further questions do not hesitate to contact me, particularly if you require information and or guidance about Post 16 arrangements.

Thank you again for your continued support. I am extremely excited in anticipation of seeing all the students on results day where their hard work and diligence will have paid off!

Yours sincerely
