

HEANOR GATE SCIENCE COLLEGE

“Develop all learners to achieve their full potential”

“Create a culture of aspiration”

Application for Cycle / Scooter Permit

Student name	
Year / Tutor group	
Date of application	
Make / model of cycle / scooter	
Colour of cycle / scooter	

Heanor Gate Science College supports students who wish to walk or cycle to school as it improves their health and fitness and also reduces traffic outside the school, making conditions safer for everyone.

If you would like your son/daughter to cycle to HGSC, would you please complete this form to obtain a permit.

It is important that we know the number of children cycling to school and that students are competent and safe to recognize any hazards that may present themselves on route.

We have outlined some key conditions which we insist all students adhere to:

- All bicycles/scooters must be in a roadworthy condition.
- Cyclists must ride sensibly and follow the Highway Code, including riding on the correct side of the road.
- Cyclists **must** wear a helmet.
- Students must use the back gate to enter and exit the school site.
- Students should not cycle on school grounds and must walk their bikes across Kirkley Drive (onto the correct side of the road) before riding them.
- Bicycles must be fitted with appropriate lights as required when visibility is poor.
- Students should not wear earphones when riding a bicycle or scooter.
- Students must only ride their scooter on the pavement.

Whilst the school does not accept any damage or liability for bicycles brought onto school site, we will endeavor to ensure security is maximised by providing a locked bike storage unit. All bicycles **must** be locked securely in this area during the school day.

The school reserves the right to revoke this permit in the event that the above conditions are not adhered to.

If you have any questions or queries about the bike / scooter permit then please contact your son / daughters' Achievement / Assistant Achievement Leader.

- Always wear a Helmet
- Use lights at night
- Stop at all stop signs
- Ride on the road
- Take out earbuds
