Dear Parent/Carer

For your information, I have attached the final itinerary for the forthcoming Italy trip. Please complete, sign and return the slip below, confirming your acceptance of this and any comments you feel as necessary. It would be advantageous for all students to have access to their mobile phones whilst in Italy, and in the case of any emergency they should call 07792 208804. If you are concerned about any roaming charges I would suggest that a pay as you go sim card is purchased before your son/daughter depart. Should you decide to do this please text the temporary number you have purchased to 07792 208804 with your sons/daughters name and I will note this.

If you have any comments regarding the itinerary, please write these on the slip.

Thank you.

Yours sincerely
