

22 February 2017

Dear Parent/Carer

During the week beginning 27 February 2017, all year groups will have an assembly discussing online safety. This assembly will feature a short video about the tragic circumstances around the death of Kayleigh Haywood entitled "Kayleigh's Love Story".

This video has been produced by Leicester Police in conjunction with Kayleigh's family with the intention to inform school age children about the dangers of online grooming.

As this video deals with difficult subject material, should you wish your son or daughter not to take part in the assembly, please contact the Achievement Leader of their year group and alternative activities can be arranged.

You can view the video on YouTube should you wish to.

Yours sincerely

A handwritten signature in black ink that reads "Judy Sisson". The signature is written in a cursive style with a large initial 'J'.
